# HUNGER FREE 303 ADVANCE SPONSOR INFORMATION

**Saturday, September 16th, 2023**  
**1:00pm - 10:00pm**

The Hunger Free 303 Music Festival is a family-friendly outdoor music event held on the S. Gaylord Street block in the Wash Park neighborhood. We have amazing Colorado bands performing throughout the day, activity tents for children and families, and local vendors providing food, beverages, and items for sale.

Our goal to raise money to continue to help feed hungry children and families across Colorado. Our partnership with Food Bank of the Rockies ensures that every dollar we raise goes even further to supporting the cause!

We're asking you to help us create an amazing experience for everyone and help ensure no child or family goes hungry.

ABOUT HUNGER FREE 303

# YOU KNOW WHAT IT'S LIKE TO BE HANGRY.

You're irrational, unreasonable. But what if you were 14 years old, hungry, angry and lacking the awareness to identify it or the resources to address it? Would you still be hangry? Or just plain hungry?

**EVERY DAY IN COLORADO, 1 IN 7 KIDS DON'T KNOW WHEN OR WHERE THEY'LL GET THEIR NEXT MEAL.**

Feeding hungry children can result in improved educational outcomes and fewer health and behavioral issues. What's more, programs that feed children can also help families stretch their grocery budgets, generating hope and greater economic parity.

ABOUT OUR DONATION RECIPIENT

## Food Bank of the Rockies

We are proud to partner with Food Bank of the Rockies, an organization dedicated to ending hunger in underserved communities nationwide. Their National Distribution Center allows them to efficiently reach families in need, prioritizing the most vulnerable.

By teaming up with Food Bank of the Rockies, we are joining a passionate organization committed to eradicating hunger. Together, we can make a lasting impact on individuals and families facing food insecurity, building stronger and more resilient communities for all.

**So far we've raised enough to provide 54,000 meals to children in families in need.**

**Help us raise even more this year!**

WHY SPONSOR?

## MAKE AN INVESTMENT TO CONNECT WITH AN AFFLUENT AUDIENCE

This event is happening in or near the affluent neighborhoods of Washington Park, Bonnie Brae and Cherry Creek. This is your opportunity to reach the upper-middle class and the “one-percent”. We estimate half of our attendance will be from these neighborhoods, and the other half will be coming from all around Denver and the Front Range.

We offer highly-desired sponsorship opportunities, such as category exclusivity and custom brand activation, to make sure that your brand is not only noticed, but given an opportunity to interact with our audience and a positively memorable way.

We look forward to working with you and experiencing a mutually beneficial business relationship!
